

Leather is our  
**PASSION**

## I About Us

Bojos Tanning is a traditional family business of Leather Tanning, founded in 1918 by Jose Bojos, just before the economic boom of the twenties. With 4 generations of experience our tenure in the tanning business continues today to provide top quality and premium service. With international concepts we act with a global vision from a strategic location in the Dominican Republic.

In the end of 2009, Bojos Tanning Inc. appears renewed in the market with the renovation of a 136,800 square feet Tannery, with an actual production capacity of 2 millions square feet. The process currently used is the result of many years of experience and the input of partners and tanning experts from all over the world.

In 2014 we were awarded "Tannery Of The Year Las Americas", in Shanghai, China. After winning we decided, "we cannot be Tannery of the year once, we have to be Tannery of the year every day, every year." - Luis Jose Bonilla's quote.

## | What We Believe

Bojos Tanning's philosophy is to be socially and environmentally aware within its practices. We look to satisfy the requirements and needs of our clients, offering finished leather goods of the highest quality; with innovation and efficiency, building a solid and profitable company recognized for its dynamism, social commitment and protection of our natural resources and environment.

We manufacture and serve consistently within the rules and legislations of our country, respecting the environment, working conditions and maintaining the trust of our customers.
